This afternoon we turn our attentions back to the business of picking up League points after the disappointment of the Littlewoods Cup.

Although we haven't performed as well as I know we can in our opening matches — like British Rail — we're getting there. My job is to make sure we don't take as long to arrive.

Phil Neal Notebook

The inclusion of Mark Came at the back has tightened up our defence and has come at just the right time to compensate somewhat for the loss of Derek Scott. All we've conceded in the last two outings has been that penalty at Bristol Rovers.

We're still creating chances for ourselves and with the proven goalscoring records of our front men I can't believe it will be long before we start to hit target regularly.

But I'm looking for goals from throughout the team. In Steve Thompson and Jimmy Phillips, for example, we have two of the hardest strikers of a ball certainly in the Third Division and there's no reason at all why these two shouldn't weigh in with a dozen goals or so this season.

Let's hope that Darlington this afternoon are the first of many teams this season to find Bolton Wanderers on the way back. We learned a lot about them last season after they came here to inflict a heavy defeat on us. But we got our own back in the return fixture at Darlington and in the Freight Rover semi-final at their place.

So we go into the game full of confidence and with your backing from the terraces for us and not against them I hope we can be celebrating at twenty-to-five tonight.

AGENTS & CANVASSERS

The Wanderers have vacancies for agents and collectors in all areas. Contact the Commercial Office and learn how you can earn good commission for just a few hours a week. You'll also be eligible for bonus benefits such as free match passes and free social events.

IT'S HERE! IT'S EXCITING IT'S ANOTHER WINNER!

Bolton Wanderers, for so long the leaders in soccer lotteries, has come up with another winner in CASHLINE. The 50 pence a week lottery has already attracted over 3,500 members playing for thousands of pounds in cash prizes including a fabulous £100 per day top prize.

Each member is allocated ten numbers and these go into the draw every day Monday to Friday so you have lots of chances of picking up a prize.

Membership of Cashline is restricted to a maximum of 10,000 so if you're not yet a member, hurry. The Commercial Office staff will be delighted to give you full details after today's game.

LIFELINE FULL HOUSE

Since launching its lifesaving private members club, LIFELINE, back in 1983, the Wanderers' team of Alf Davies, Nat Lofthouse and Alan Fullelove have travelled over 10,000 miles up and down the country advising other clubs on how to set up similar schemes.

In the process the trio have raised several tens of thousands of pounds in extra revenue for the Wanderers by charging a consultancy fee for the service.

But despite inspiring some 35 Rugby League and Soccer Clubs to successfully operate their own Lifeline schemes, none of them can match the tremendous response shown over the years by supporters of Bolton Wanderers. The current full house membership of 2,500 puts the Burnden Lifeline Society firmly at the top of the league.

Plans are already well advanced for the first of the annual cabaret nights at the Pembroke Halls in December and we hope to announce an extra special star attraction very shortly.

Congratulations to last week's Lifeline winners:

£1,000 Mr N. Scholes No. 1714

£50 Mr K. Ralph No. 1882

plus the 10 winners of £25 consolation cheques.

DARLINGTON SETTLE DOWN WELL

by Tony Pullein

Though their tiny squad was devastated by injuries last season, Darlington managed to re-establish themselves as a Third Division club and, in spite of a depressing start, rose to a final position of 13th. Now manager Cyril Knowles is hoping to steer clear of more injuries and secure a place in the top half of the table.

Prior to their promotion in 1985, Darlington had languished in the Fourth Division for 18 years. When they were so badly hit by knocks, and managed to win only one of their

opening 11 League games last season, they appeared to be heading straight back to the League's basement.

At the start of November, the Quakers were actually bottom of the table. Then they began to get their game together and, one spell towards the end, they remained unbeaten in 13 games — promotion form.

Sadly, they had been lumbered by that exceedingly poor start and another poor run at the end meant they had to settle for 13th place.

Towards the end of the season, when goalkeeper Fred Barber was transferred to Everton, Mr Knowles signed Mike Astbury from York to take over.

Among the players signed during the close-season were midfielder man Mark Hine (from Grimsby) and forward David Currie (Middlesbrough). Currie has been a top scorer with Middlesbrough and it is hoped that he and Gary MacDonald, last season's top marksman, will form a lethal partnership in the Third Division.

The Quakers had a tough opening match at York this season and, not surprisingly, went down 1-3. But last Saturday they came from behind to score a 2-1 home victory over newly-promoted Mansfield. They went down 0-2 at Scunthorpe in the first-leg of round one in the Littlewoods Cup and were due to play the return at Feethams this week.

Back Row: Phil Lloyd, David Currie, Mike Astbury, John Huntley, Peter Robinson.

Middle Row: Lew Clayton (Physio), Gary Hyde, Gary Graham, David Woodcock, Paul Ward, Gary Haire, Mark Hine, Mark Davis Craig Puckering, Kenneth Hughes.

Front Row: Gary MacDonald, Steve Tupling, Chris Evans, Cyril Knowles (Manager), John Craggs (Coach), John Green, Gary Morgan, Alan Roberts.

THE DARLINGTON SQUAD

CYRIL KNOWLES (Manager) When Cyril took over as Darlington's manager in May 1983, the club had just finished in the lower reaches of the Fourth Division. But, in two seasons, he led them into Division Three and now he is looking for further progress. In his playing days he reached the top. After playing his early games as left-back for Middlesbrough, he was transferred to Tottenham for £45,000 in 1964 and was a member of their F.A. Cup winning team of 1967 and their League Cup winning side four years later. He won six England under-23 caps and played for the full England team on four occasions.

MIKE ASTBURY (Goalkeeper) Mike was signed from York City towards the end of last season and has succeeded Fred Barber, who moved on to Everton. Mike was still a York apprentice when he made his League debut at Bournemouth in 1980. He went on to make more than 50 senior appearances for the club and, before his transfer last season, he spent a loan period with Peterborough.

CHRIS EVANS (Defender) Chris is another former York player, joining Darlington during the 1985 close-season and taking over the right-back position last season. He was once an Arsenal apprentice and later spent a period with Stoke City but it was after joining York City that he made his League debut in 1982.

PHIL LLOYD (Defender) Phil started his career with Middlesbrough but did not get into their League eleven. He remained a reserve player after joining Barnsley on a non-contract basis but he made his League break through with Darlington in 1983/84. Phil is now approaching his 100th game for the Quakers.

JOHN GREEN (Defender) John was signed from Scunthorpe during the opening weeks of last season and, after originally playing at full-back, has been in the middle of the defence this season. He quickly made his mark after making Rotherham's first-team in 1975 and he completed more than 250 games for the Millers before transferring to Scunthorpe in 1983.

GARY MORGAN (Defender) Gary enjoyed two good seasons in the Scottish League with Berwick Rangers before signing for Darlington in 1985. Last season he initially entered the side at left-back but also played in the middle of the defence.

MARK HINE (Midfield) Mark was signed from Grimsby this summer. After developing in the junior sides at Blundell Park, he earned a few games in the senior side in

1984/85 and made 13 League appearances last season.

ALAN ROBERTS (Midfield) Alan completed his apprenticeship with Middlesbrough and was blooded in their League eleven in 1983/84. He won a regular place the following season and moved on to Darlington during the early weeks of last season.

PAUL WARD (Defender/Midfield) Paul was a Chelsea apprentice but his prospects of reaching their first-team seemed remote. So he travelled across the world to try his luck in New Zealand. After coming home, he signed for Middlesbrough and made his League debut for them in 1982/83. With more than 70 League games behind him, he moved on to Darlington early last season.

PETER ROBINSON (Midfield) Peter was playing for Blyth Spartans when Rochdale invited him to sign for them in 1984. He made a dozen League appearances for the Lancashire club but won a more regular game after joining Darlington during the 1985 close-season.

STEVE TUPLING (Midfield) Steve developed in the junior sides at Carlisle without making the first-team. After signing for Darlington in 1984, he went straight into the senior side and held his place for the past two seasons.

GARY MacDONALD (Forward) Gary was Darlington's leading scorer with 28 goals last season. He started his professional days with Middlesbrough, took his place in their first-team in 1980/81 and completed more than 50 League games before signing for Carlisle in 1984. His stay at Brunton Park was exceedingly brief. Within weeks he was turning out for the Quakers.

DAVID CURRIE (Forward) David joined the club from Middlesbrough this summer and marked his Darlington debut with a goal at York on the opening day of the season. It is hoped that he will find the scoring form of his Ayresome Park days. In 1983/84 he was their top Second Division scorer with 15 goals and in the following seasons remained a consistent scorer.

GARY HAIRE (Forward) Gary was an apprentice with Oxford United but they released him and he went non-League with Whitley Bay for a while. Bradford City signed him in 1983 and he hit 14 goals for them in his first season. He was transferred to Darlington during 1984/85 and last season spent a short loan spell with Rochdale.

DAVID WOODCOCK (Forward) David was a Sunderland apprentice but it was following his move to Darlington that he was introduced to League football last season.

PLAY OFFS

When did a team finish fifth in the Third Division and still get promotion? We'll tell you the answer at the end of the season when play offs for promotion and relegation are introduced.

Only the top two Clubs are automatically guaranteed promotion to the Second Division next May. The third, fourth and fifth placed teams will take part in a series of play offs with the 19th team in the Second Division to determine the third vacancy.

The same rule will apply to the Fourth Division with the fourth, fifth and sixth placed teams meeting the Club fourth from bottom of the Third to decide their fate.

ASA ENDS RUN

Wanderers captain Asa Hartford ended a run of 47 consecutive League games by missing last Saturdays game at Bristol Rovers through injury. It was the first League game he had missed since joining the club twelve months ago and now leaves Dave Sutton with the longest unbeaten League run. Dave has now played 30 consecutive League games but is still a way off the Wanderers record which is 161 held by Jim McDonagh between 1976 and 1980.

Tony Caldwell became the fourth member of the current squad to have played a hundred League games for the Wanderers. His 100th came last Saturday at Bristol Rovers.

new members no matter how good or bad their running ability is. A number of groups go out on different routes ranging from a couple of miles to a half marathon and these include the women members whose number is ever increasing.

Over £500 was handed over to the Elizabeth Ashmore children's home in Bolton, the money being raised from this year's Burnden half marathon which took place last April. Planning for next year's race is already underway and a date will soon be announced. A fortnight ago 27 Burnden members took part in a Bolton half and full marathon. All completed the course which in fact passed Burnden three times.

Flashback

PAST ENCOUNTERS

Darlington make their second Football League visit to Burnden Park today with honours being even in the previous games which took place last season. Darlington visited Burnden last November for a match that unfortunately attracted the lowest ever League attendance of 2902. The North Easterners went away with the points, registering their first away win of the season, by a margin of 3-0. All the goals came during the second half on a bleak bonfire night.

Garry Macdonald opened the scoring with a shot that went in off a post in the 66th minute. Six minutes later John Green headed home from a corner and five minutes from time Macdonald tapped home his second.

The Wanderers gained revenge with a single goal victory on their first league visit to Feethams last April. The winner came five minutes from time, George Oghani sliding the ball home from close range, this after Steve Thompson had seen his 41st minute spot kick saved. The victory ended Darlington's hopes of establishing a new club record of 16 games without defeat and also eased Bolton's relegation worries.

A week later the Wanderers again visited Darlington for the Northern semi final of the Freight Rover trophy. The attendance doubled to 3771 and Bolton made no mistake with a resounding 3-0 win. George Oghani netted the first in the 9th minute and Tony Caldwell pounced on a poor defensive error to grab the second after 26 minutes. Asa Hartford wrapped up the game with a third goal just after the break. Two minutes from time Phil Neal rattled the crossbar with his first penalty for the club but the large number of Wanderers followers were already celebrating victory. The clubs also met in the previous seasons Freight Rover competition with the Wanderers running out 2-1 winners at Burnden in a third round tie. The Wanderers also won the first ever game between the clubs by the same score in the third round of the 1960/61 League cup competition at Feethams.

5 YEARS AGO

5th September 1981. Bolton went down to Luton Town in their first home League game of the season, despite taking the lead in the 64th minute, through Alan Gowling. Five minutes later Luton were back in the game, Brian Stein hitting home the equaliser. In the 79th minute Mark Aizelwood hit the winner for Luton who headed the second division.

10 YEARS AGO

11th September 1976. Hull City were rattled 5-1 at Burnden in a gale force wind and driving rain. It wasn't until the 55th minute that Bolton broke the deadlock when Neil Whatmore scored. The floodgates then opened with a couple of goals each for Paul Jones and Steve Taylor. Hull's only reply came from Dave Stewart.

15 YEARS AGO

7th September 1971. The Wanderers caused an upset in the second round of the League Cup by defeating first division Huddersfield Town at Leeds Road. Roy Greaves fired Bolton into the lead in the 26th minute after a move involving Paul Jones and John Ritson. It was Greaves who hit Bolton's second on the hour past the helpless David Lawson to wrap up the game.

Junior Whites

This is the column reserved for your comments, suggestions or criticisms.

If you have anything to say about any aspect of Bolton Wanderers or football in general write to Postie's Page, Bolton Wanderers F.C., Burnden Park, Bolton.

Dear Postie,
Full marks to Phil Neal on two good additions to our team. Well done!

But on the evidence seen so far this is where we left off last season. Two forwards up front flogging away getting nowhere yet playing well enough to be in any winning side.

The manager has come from a great side that concentrated on the basics of the game. We, on the other hand, persist in having the goalkeeper in danger of hitting low, flying aircraft with his goalkicks. Our players are ball on the floor players and this type of goalkick is no use to them at all.

However, Phil Neal is bringing back to Burnden something that has been missing for years. Correct attitudes and a more professional approach to the game.

One piece of, I hope, constructive advice. Phil should stop playing and sit in the only place for a manager to sit — in the stand. That's the place to see all the game and get the pattern of play right.

RAY STONES, KEARSLEY

Membership cards for the new season of Junior Whites meetings are now being despatched. With a new sponsor in HB Electronics, the Junior Whites will receive many more benefits in the coming months including reduced admission into the Lever Family Stand on League matchdays. Membership application forms are available now at Burnden Park for anyone wishing to become a member for the first time.

And at the first meeting on September 8th. in the Executive Club, members will be able to welcome their new President. Jimmy Phillips has agreed to take on the position following the departure of past-President Sam Allardyce to Preston North End.

Don't forget that the first Junior Whites' meeting of the new season gets underway this coming Monday evening at 6.30 p.m. in the Executive Suite here at Burnden.

Reserve Report

27th August 1986. Bolton Wanderers Reserves 1 Grimsby Town Reserves 2.

Keeper' Dave Felgate, hero of last seasons Freight Rover Trophy run, returned to Burnden with Grimsby reserves and helped them to victory in the opening Central League game of the season.

Felgate made a couple of good saves both coming from Wanderers new boy Peter Bell. At the other end Simon Farnworth also gave a fine display in poor conditions. The first half being played in a consistent downpour.

SIMON FARNWORTH—A fine display in poor conditions.

PAUL GRIFFIN—Set up Mark Raven whose header was cleared off the line.

Neil Horwood fired the visitors in front after 27 minutes, shooting home from ten yards, after a right wing cross had found him unmarked. The tall centre forward increased their lead in the 55th minute, the defence again failing to clear the danger.

The introduction of Mark Raven, making his Central League debut, for the injured Bob Higgins injected some new ideas up front. the youngster firstly set up Paul Griffin, whose header was cleared off the line, and was brought down with the goal at his mercy two minutes from time. Paul Hughes converted the penalty but there was not enough time for the Wanderers to save the game.

Team. Farnworth, Hughes, Mullineux, Banks, Came, Higgins, Bell, Griffin, Caldwell, Callaghan, Senior. Sub Raven for Higgins 79th minute.
